The complex, original blends contain the most expensive and highest quality essential oils.

Smooth away the stresses and strains of everyday life –reduce anxiety and improve overall wellbeing. A content person always feels confident and looks beautiful.

The **Belle Epoque “D’or”** (golden) candle collection is inspired by the Belle Epoque Era, known as the “Golden Age” which began in France in the late 19th century. It was recognized as a period of beauty, carefree living, optimism, and decadence.

At this time, Maxim's de Paris became the rendezvous for all Belle Epoque Paris. Maxim's flourished with celebrity and high society clientele. Champagne flowing, music playing, spirits and gastronomical delights, Maxim's became a place where all great events of Parisian life, were celebrated – La Bonne Vie!

All of our candles are made from our special creamy soy wax blend and 100% cotton wicks for a luxuriously fragrant, clean and long burning candle.

Adorned with the exquisite flora and fauna ornamentation from the Belle Epoque décor of the Maxim's de Paris restaurant, Each candle is organically sprayed with a beautiful golden color, gold ornamental appliqué and burns elegantly for 75 hours.
