

WEBSITE POLICY

Somme Institute® will authorize its products to be featured on a spa website after careful consideration under the following conditions.

1. Account should submit its request for approval.
2. Upon receipt, Somme Institute® will decide to give its authorization or not.
3. Absolutely NO DISCOUNTING will be authorized.
4. Somme Institute® will provide graphics, images, and copy.
5. Once created, the page should be submitted to Somme Institute® for final approval.
6. When a promotion is offered in a spa, the same promotion should be offered on the site during the same period of time.
7. If free shipping is offered to customers, Somme Institute will not share the expense.
8. Somme Institute® Anti-Diversion Procedure and Policies
 - a. Product coding is used to track the movement of Somme Institute® products. These products are subsequently decoded in an effort to identify diverters.
 - b. Intelligence procedures uncover diversion schemes, including those involving stores and misuse of the internet.

Somme Institute® will require that the Somme Institute® portion of the account site be closed if one or several of the points listed above fail to meet the requests of Somme Institute®.

I have read and understand the Website Policy mentioned above. Any questions will be directed to my Regional Sales Manager.
